06. BRAND VOICE

Editorial Standards

The Cheapify Way

- ✓ Data First: State exact IQD savings.
- ✓ Respectful: Treat merchants as partners.
- ✓ Transparent: List prices upfront immediately.

Strictly Avoid

- ✗ No Hype: Avoid "dirt cheap" slang.
- ✗ No Disrespect: Never imply low quality.
- ✗ No Friction: Never say "DM for price".

The Single-SKU Rule

One master product page. Multiple verified sellers competing transparently. Zero duplicate listings.

07. AUDIENCE PERSONAS

Who We Serve

The Smart Shopper

Young adults (18–35) across major KRI/Iraqi cities looking for transparent, fair prices without the hassle of DM negotiations.

- **Pain Point: Wasting hours asking "How much?"**
- **Goal: Instant side-by-side comparison.**

The Local Merchant

Small to medium physical and social-media retailers who need a scalable digital storefront without expensive agency build costs.

- **Pain Point: High fees on traditional apps.**
- **Goal: Predictable orders & verified status.**

Clear Commerce.
